Ring NHS 111

When your practice is closed between 6.30pm and 8am, at the weekend and on public holidays. If you have an urgent medical concern, you can call NHS 111, where health advisors will ask you a series of questions about your condition and where appropriate, book an appointment with a GP. This could be a telephone assessment, a face-to-face appointment at a treatment centre or a home visit.

They may also book an appointment at your registered GP practice if your condition is less serious.
